ABOUT THIS CERTIFICATION

The Vocal Examinations are designed for aspiring singers who wish to develop their voices through structured musical training and professional assessment. Candidates are evaluated on vocal technique, pitch accuracy, breath control, diction, articulation, rhythm, tonal quality, musical interpretation and stage presentation. The examination pathway encourages students to develop their individual vocal identity while strengthening their technical abilities and expressive communication. Grades 1-3 - Foundation and Development: These grades focus on strengthening technical skills, musical reading, rhythmic accuracy, coordination and basic musical interpretation.
